TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS
MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on Monday, the 25th day of March, 1935, at 12 o'clock noon to act on Article 1 of this warrant; and to meet in said Town Hall on the same date at 8 o'clock, P. M. then and there to act upon the remaining articles of this warrant.

The polls for the election of town officers will be opened at 12 o'clock noon and may be closed at 7.45 P. M.

ARTICLE 1. To bring in their votes for the following town officers, each to be designated and all to be voted for on one ballot, namely:—

A moderator for a term of one year,

A town clerk for a term of three years,

One selectman for a term of three years,

One member of the board of public welfare for a term of three years,

One assessor for a term of three years,

One member of the school committee for a term of three years,

A treasurer and collector for a term of one year,

An auditor for a term of one year,

One library trustee for a term of three years,

A library treasurer for a term of one year,

One trustee of the Merriam Fund for the Silent Poor for a term of three years,

One park commissioner for a term of three years,

One cemetery commissioner for a term of three years,
 One member of the board of health for a term of three years,
 Three measurers of lumber for one year,
 One member of the board of commissioners of trust funds
 for a term of three years,
 One member of the board of water commissioners for a
 term of three years,
 Five members of the planning board,
 A tree warden.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To determine whether the town will vote to transfer from the overlay reserve fund to the reserve fund of the town the sum of \$11,975.19 or such other sum as the town may deem proper in the premises.

ARTICLE 4. To determine whether the town will vote to increase the compensation of any town officers and employees or to act anything relative thereto.

ARTICLE 5. To determine whether the town, pursuant to its contract of indemnity with the Commonwealth of December 11, 1930, will authorize the selectmen in their absolute discretion to settle and pay any and all remaining claims, awards and judgments for land, grade and drainage damages arising from the alteration and reconstruction of the Boston Post Road from Sibley Road to Wellesley Street and the layout and construction of the By-pass, so called, and takings of land in connection therewith, by the Commonwealth in 1931, and to defray any and all incidental expenses; and to determine whether the town will authorize the selectmen to expend for such purposes the unexpended balance of sums previously appropriated in the budgets under the item "Boston Post Road" in the title "Highways and Bridges" and also such sum as may be appropriated at this meeting under that item of the current budget.

ARTICLE 6. To determine whether the town will authorize the making of a contract between it and Zada J. Robertson whereby, in substance, the town will covenant with her and her successors in title to maintain at approximately its present elevation the water level in a pond located on her land near the intersection of the Boston Post Road and Wellesley Street, in consideration of her releasing the town from the award made and all claims in connection with the taking of certain rights for drainage purposes in her land by the town in 1931 and of her conveying to the town certain further rights in her land and her title to certain pumping machinery for the purpose of enabling the town to perform its covenant; and to determine whether the town will authorize the acceptance of such conveyance.

ARTICLE 7. To determine whether the town will rescind or amend the votes under article 4 of the warrant at the town meeting on March 21, 1932; to determine whether the town will authorize the purchase in fee, for the purposes of the public schools, of approximately three acres of land of Zada J. Robertson at the corner of Wellesley Street and the By-pass, so called, and adjacent to the present school site; and to determine whether the town, for such purchase, will appropriate a sum not exceeding \$2,000 and will also authorize the expenditure of the unexpended balance (\$305) of the appropriation made under article 4 of the warrant at the town meeting on March 30, 1931.

ARTICLE 8. To determine whether the town will adopt the following by-law or any modification thereof for the purpose of regulating billboards, signs, or other advertising devices:

No person, firm, association or corporation shall erect, display, or maintain a billboard, sign, or other outdoor advertising device in the Town of Weston, except those exempted by the last paragraph of (h) and the fourth paragraph of (i) of this by-law:

(a) Within fifty (50) feet of any public way.

- (b) Within three hundred (300) feet of any public park, playground or other public grounds, if within view of any portion of the same.
- (c) Nearer than fifty (50) feet to any other such billboard, sign, or other advertising device, unless such billboards, signs, or other advertising devices are placed back to back.
- (d) On any location at the corner of any public ways and within a radius of one hundred and fifty (150) feet from the point where the center lines of such ways intersect.
- (e) Nearer than one hundred (100) feet to any public way, if within view of any portion of the same, if such billboard, sign, or other advertising device shall exceed a length of eight (8) feet or a height of four (4) feet.
- (f) Nearer than three hundred (300) feet to any public way, if within view of any portion of the same, if such billboard, sign, or other advertising device shall exceed a length of twenty-five (25) feet or a height of twelve (12) feet.
- (g) In any event, if such billboard, sign, or other advertising device shall exceed a length of fifty (50) feet or a height of twelve (12) feet; except that the Board of Selectmen may permit the erection of billboards, signs, or other advertising devices which do not exceed forty (40) feet in length and fifteen (15) feet in height if not nearer than three hundred (300) feet to the boundary line of any public way.
- (h) No billboard, sign, or other advertising device shall be erected, displayed, or maintained in any block in which one-half of the buildings on both sides of the street are used exclusively for residential purposes; except that this provision shall not apply if written consent of the owners of a major-

ity of the residential and vacant frontage on both sides of the street in such block is first obtained and is filed with the Board of Selectmen together with the application for a permit for such billboard, sign, or other advertising device.

Provided, however, that the foregoing provisions (a) to (h), both inclusive, shall not apply to districts which may be zoned as of industrial character.

- (i) No billboard, sign or other advertising device shall be erected, displayed, or maintained until a permit therefor has been issued by the Board of Selectmen, pursuant to the following provisions.

An applicant for a permit to erect a billboard, sign or other advertising device shall file with the Board of Selectmen a written application therefor, together with a sketch showing the exact location and the written consent of the owner of the property upon which such billboard, sign, or other advertising device is proposed to be erected, displayed, or maintained, accompanied by an examination fee of \$2. Upon receipt of the foregoing, the Board of Selectmen shall hold a public hearing on said application, notice of which shall be given by posting the same in three or more public places in Weston at least one week before the date of such hearing, and upon the holding of such hearing, the Board of Selectmen shall within ten days thereafter grant or refuse such permit.

All permits granted under this Section shall expire June 30 of the calendar year following the date of the application. Application for the renewal of the permit granted under this Section shall be made not later than thirty days prior to the expiration of such permit and shall be accompanied by a fee of \$2. to be known as the renewal fee, and within two weeks of the date of filing of such renewal application, the Board of Selectmen shall post notice of such application in three or more public places in said Weston. Every permit granted under this Section for the erection or maintenance of an advertising device shall be conditioned by its

terms upon the compliance by the permittee with all requirements of state and municipal regulations applying thereto.

This by-law does not apply to signs or other devices on or in the rolling stock, stations, subways, or structures of or used by common carriers except on bridges or viaducts or abutments thereof, or to devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertising the property itself or any part thereof as for sale or to let and which contains no other advertising matter; and provided further that this by-law shall not apply to billboards, signs, or other advertising devices legally maintained at the time of its approval by the Attorney-General, until one year from the first day of July following such approval.

Whoever violates any of the provisions of this by-law shall be punished by a fine of not more than one hundred dollars (\$100), and whoever after conviction for such violation unlawfully maintains such billboard, sign, or other advertising device for twenty days thereafter shall be punished by a fine of not more than five hundred dollars (\$500).

If any provision of this by-law is declared unconstitutional or illegal by final judgment, order or decree of the Supreme Judicial Court of the Commonwealth, the validity of the remaining provisions of this by-law shall not be affected thereby.

ARTICLE 9. To determine whether the town will authorize and instruct the Planning Board to investigate and report to a subsequent meeting of the town as to the advisability and cost of establishing a town dump, or to act anything relative thereto.

ARTICLE 10. To raise and appropriate, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the ap-

appropriations asked for or proposed by the Selectmen or by the town officers or committees in their reports; and to authorize the town treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

And you are to serve this warrant by posting three attested copies thereof, according to the vote of the town, namely, at the town house, at the Kendal Green post office, and on the town bulletin-board at the junction of South Avenue and Park Road and Newton Street seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this seventh day of March in the year of our Lord one thousand nine hundred and thirty-five.

HERBERT E. TYLER,

B. LORING YOUNG,

BRENTON H. DICKSON, Jr.,

Selectmen of the Town of Weston.

BRENTON H. DICKSON, Jr.,
Town Clerk.

REPORT OF THE SELECTMEN

The Selectmen submit the following report for the year ended December 31, 1935, and include herein the budget of appropriations recommended for the year 1935 as provided by section 5 of Article II of the By-Laws.

At the annual town meeting held March 26, 1934, B. Loring Young was re-elected as a member of the Board for a term of three years. The Board organized immediately after the annual town meeting by the election of Mr. Tyler as Chairman and Mr. Young as Secretary.

During the year 1934 the Board held nineteen meetings and five public hearings. Members of the Board have also from time to time conferred with other town officers and have attended hearings at the offices of the County Commissioners of Middlesex County and at the State House in Boston.

The list of officers and committees elected or appointed during the year and also a list of licenses and permits granted by the Board are set forth in detail in the Town Records, printed hereinafter in this volume.

The Selectmen have held a meeting with the members of the Finance Committee and unanimously recommend the table of appropriations appearing immediately after this report. The total appropriations recommended amount to \$239,633.00 compared to \$224,040.00 which was the sum appropriated last year.

The Selectmen and Finance Committee have given serious consideration to the suggestion that the 10% cuts in salaries and wages of town employees and officers, which was adopted by the town at the annual town meeting in 1933, be restored in whole or in part. Our unanimous recommendation is that 66 $\frac{2}{3}$ % of these cuts be restored effective as of April 1, 1935, which in dollars and cents means a 5% increase for 1935, as three months of the fiscal year will have expired by that date. The question of restoring the

balance of one-third of the reductions can be considered at the annual town meeting in 1936. Economic conditions continue to be such that we do not feel our taxpayers should be burdened with more than this increase at the present time. The increase recommended will mean approximately an addition of fifty cents per thousand to the tax rate.

State revenues continue to decrease and again there is a very real danger of an increase in the state tax. We cannot at this time attempt to prophecy what the final burden of state, county and metropolitan taxes will be. The budget submitted by Governor Curley to the General Court on January 23rd provides for a transfer from the Highway Fund to General Revenue of \$10,000,000, the same as last year, with a state tax of \$9,500,000. The Governor's suggested program of public works to be financed in part by federal contributions has not at present been fully worked out so that one cannot say with any real certainty what the tax burden on the Town of Weston will be. We have gone over all the figures with the heads of departments and the Finance Committee and the budget as submitted meets with general approval.

Federal Emergency Relief Administration

The work of the so-called FERA, which took the place of the Civic Works Administration, has continued to function in a most efficient manner under the leadership of Mr. Thomas A. Tilton. During the year 1934 we have put through approximately seventeen projects with federal aid employing on an average forty-five residents of the town.

Riverside Bridge

The bridge over the Charles River at the end of Riverside Road is still open for foot traffic but closed for all vehicles. A bill to reconstruct this bridge was introduced in the Legislature last year, was acted upon favorably by the Committee on Metropolitan Affairs, the Committees on Ways and Means of both branches and passed the Senate. It was,

however, defeated in the House of Representatives on the last day of the session. The cost of the bridge turned out to be much larger than the Selectmen anticipated and Weston's share of the burden would have been \$17,500. The Selectmen therefore feel that it would be well to defer any action toward rebuilding the bridge until financial conditions improve, and the relocation of route 128 is definitely determined.

Land Damage Cases

As was stated in the Report of the Selectmen a year ago, two important land damage cases still remain unsettled. One of these cases had, prior to the last town meeting, resulted in a verdict against the town amounting to \$5800. Exceptions were filed on behalf of the town but were overruled by the Supreme Judicial Court so the verdict plus interest must be paid and an item in the warrant is included to take care of this matter. The certificate after the action by the Supreme Judicial Court which was entered by the Superior Court fixed the verdict plus interest and costs at \$6725.80 as of June 11, 1934, and this must be paid with interest at 4% to April 1st.

There is also outstanding the claim of George H. D. Lamson on account of the taking of land for park purposes on the western side of the Town House. Until this case has been tried, it is impossible for the Selectmen to inform the voters what the cost to the town will be but there is an item of \$5,000 in the Treasury appropriated some years ago when the land taking was made.

The book surplus of the town as of December 31, 1934, amounts to \$34,055.45 as against a surplus at the corresponding date the year previous of \$37,093.41. There is, however, in the Treasury an overlay reserve fund of \$11,975.19 which we propose to transfer to the regular reserve fund appropriation making it unnecessary to make any appropriation for the reserve fund this year, that item having been \$10,000 in 1934 and \$15,000 in 1933.

The uncollected taxes as of December 31, 1934, were

\$10,000 less than in the preceding year but there still remain outstanding as of February 12, 1935, \$56,712.66. The town cannot legally treat as revenue available to meet appropriations a surplus which represents uncollected taxes. We therefore again appeal to our tax payers to pay their taxes as soon as possible because otherwise the tax rate is bound to go up.

The town debt has been reduced by \$35,000.00 during 1934 and now stands at \$386,000.00. We doubt if the tax rate can be held at the extraordinarily low figure of \$20.50 which has prevailed during the past two years but if our budget is not substantially increased at the town meeting there ought not to be much change in the tax rate except that which is caused by state, county and metropolitan taxes which are absorbed in our local tax rate and which are beyond our control.

We again thank the officers and employees of the town for their whole-hearted co-operation and faithful discharge of their duties, particularly the Superintendent of Streets and the men under his supervision who have come through a difficult year with marked success.

Although crime has been no less rampant in many parts of the country, the Police Department has been fortunate to have an unusually quiet year here. However, to give efficient service and to be properly prepared to meet emergencies that arise in the course of safeguarding the public interests, I recommend an appropriation of \$11,000 for the ensuing year.

Respectfully submitted,

J. SUMNER VILES,
Chief of Police.

REPORT OF THE BOARD OF WATER COMMISSIONERS

The water works system has been improved and extended by various additions to the distributing mains as follows:

1st. The completion of the installation of a 10" main in School Street of about 1600 feet from Maple Road to the Boston Post Road. This work was started late in the year 1933. It replaces an old 6" pipe and serves to improve the conditions not only in the center of the town but it is of importance to the entire system.

2nd. Replacing an insufficiently sized pipe of 4" by a 10" pipe for a distance of approximately 500 feet in Summer Street starting from the Boston Post Road. This will materially improve the fire protection of property which is served in Summer Street and will eventually form a part of an important link connecting the future part of the system in the southerly portion of the town.

3rd. The extension of the main in Conant Road from Sunset Road to Pigeon Hill Road. This is a 10" pipe and about 2200 feet in length.

4th. The installation of a 6" pipe in Pigeon Hill Road about 1220 feet in length running from Conant Road to the existing main which connects with the system at Church Street. This is an important improvement forming an additional connection with the northerly part of the system.

5th. The extension of the main in Newton Street from Ware Street for a distance of about 250 feet of 10" pipe. The customary guarantee of payment for this extension was obtained and it is a further approach to the southerly part of the town and to a very important further connection through South Avenue River and Loring Streets to Summer Street.

6th. The installation of a 6" pipe in Grove Street from Doublet Hill Road for a distance of about 510 feet. The cost of this extension is guaranteed by the property served.

7th. The extension of the main in Summer Street by a 10" pipe approximately 1300 feet in length to Cedar Road. This work was started late in the year, and has not, as yet, been completed. It will connect with an existing main in Cedar Road and is particularly important because it will form a part of a connection with the southerly part of the system which has been referred to above. The cost of this work has also been guaranteed on the usual basis.

For a considerable portion of the foregoing extensions labor was provided by the E R A and materials and supervision of construction have been paid for out of the unexpended balances of funds made available by former water bond issues.

Respectfully submitted,

EDWARD P. RIPLEY,
ARCHIBALD G. MONKS,
ABEL J. COLPITTS,
Board of Water Commissioners.

REPORT OF THE INSPECTOR OF BUILDINGS

TO THE BOARD OF SELECTMEN:

Gentlemen:—The Inspector of Buildings respectfully submits the following report for the year ending December 31, 1934:

During the year 40 permits were issued, of which 13 were for new dwellings. Fees collected amounted to \$83.00, which have been paid to the Town Treasurer.

	\$148,630.00

FRANKLIN C. MULOCK,
Inspector of Buildings.

REPORT OF THE SUPERINTENDENT OF STREETS

TO THE BOARD OF SELECTMEN:

Gentlemen:—I respectfully submit herewith the annual report of the Highway Department for the year ending December 31, 1934.

There has been expended for the general maintenance and construction of highways, \$33,640.61, of which \$3,102.36 was used for the removal of snow and ice. We have stored at the crusher materials for future use the value of which is approximately \$400.

Of the expenditures the principal items as listed in the Auditor's report are as follows:

Distribution of Expenses:

Salaries:

A. M. Upham	\$1,731.60	
R. W. Coburn	90.00	
Labor	13,515.23	
		\$15,336.83
Precise leveling		104.55
Broken stone, sand and gravel		4,612.19
Lumber, pipe, cement, steel, etc.		1,709.06
Asphalt and oil		4,714.89
Coal, Gasoline, Oil and Electric power		1,338.97
Signs		160.39
Telephone		84.23
Fountains		150.00
Snow and Ice		3,102.36
All others		2,327.14
		\$33,640.61

Maintenance work has been carried on in the usual manner. We have surface treated four and one-half miles of road with asphalt oil and sand and about two and one-half

miles with asphalt and pea stone. The latter method while not 100% perfect seems much more desirable than the old method since it makes the roads to which it is applied much less slippery. With this idea in mind our crushing plant in Kendal Green has been rebuilt and will enable us to produce some of our own material from waste rock which in the past has been discarded.

Our new bins have also enabled us to give better service on sanding work, especially at night. We keep about seventy tons in the sand bin or about fifty percent of the amount of sand used in a normal ice condition.

As has been pointed out in past reports absolute lack of proper foundation in the majority of our streets continues to be our greatest source of trouble. There is no remedy for this problem except complete excavation and replacement of the road bed. Plenty of material is available at our Kendal Green pit but means to handle it in large quantities is lacking. Recommendations along this line have been made in previous reports.

During the year Wellesley Street from Case's corner to Maple Road was rebuilt, using material from the old road as subgrade. Results have been disappointing. Settlement of water and gas ditches dug several years ago and replaced without proper tamping, together with frost action in one or two places has resulted in disturbance of the surface. Steps to remedy these conditions will be taken as soon as weather permits.

The construction of Wellesley Street from Maple Road to the Boston Post Road should be continued this year. Approximately \$4,000 will be required for this work.

We have installed this past year 15 new catch basins, 280 feet of 8" pipe, 180 feet of 15 inch pipe and 205 feet of twenty-one inch pipe.

There have been erected thirty-two signs of different types in 1934 and a large number have been repainted.

It is unfortunate that the Highway Department was forced by circumstances to exceed its appropriation. Explanation of this lies in the fact that approximately \$2,800 of highway funds was diverted for purposes other than the

highway. Approximately \$2,600 was spent for replacing water ditches and \$250 for E R A supervision, etc.

Either the By-Laws of the town regarding replacement of ditches in our streets should be changed or enforced.

In view of the increase in the cost of living I believe that some action should be taken to raise the salaries of town employes and especially those who receive less than thirty dollars per week.

I am forwarding to you specific recommendations along this line in a special report.

Snow and Ice

There has been expended for the removal of snow and ice \$3,102.36.

Bituminous Material

We have used on the highways this year, 44,378 gallons of bituminous material.

2,702 gals. oil 65%

1,025 Tarvia B

24,118 Cut Back 11A

8,772 85/100 Straight Asphalt—Wellesley Street.

7,761 85/100 Straight Asphalt—Water trenches.

Sidewalk Work

There has been expended for general repairs of existing sidewalks the sum of \$333.15. No new walks were built this year and our old walks are rapidly going to pieces. In order to repair them properly I recommend an increase in the appropriation of \$1,000.

Machinery and Equipment

There was expended during the year the sum of \$2,674.40. One new Ford truck and one new snowplow was purchased at a cost of \$1,150.75 for both. The balance was used for the repair and maintenance of existing equipment. It will be necessary to replace our Mack truck this year on account of the new State law banishing from the

roads all two wheel brake vehicles. This truck is now six years old and it would not pay to put on four wheel brakes. I therefore recommend an increase in the appropriation of \$4,000.

Recommendations

For the coming year I make the following recommendations:

General Maintenance	\$33,000.00
Sidewalks	1,500.00
Machinery accounts	6,000.00

I want to thank the temporary men as well as the regular men of the department for their co-operation in carrying on the year's work.

Respectfully submitted,

A. M. UPHAM,
Superintendent of Streets.

REPORT OF THE E R A IN WESTON

On April 1st, 1934 the C W A was discontinued, and the Emergency Relief Administration was organized to carry on the Relief Work. The chief difference between the two organizations is that under the E R A, a person must show real need to qualify for a job. All applicants are classified as to their need, and the most needy are given work first.

As it is now being run, the government allots each State a monthly quota. The States in turn divide their money among the Towns and Cities. This money is for Labor only. The Towns must pay for all materials and other expenses themselves.

From the start of the C W A in December 1933 to December 31st, 1934, Weston has received from the government \$20,529.34. This money has been paid to the men in Town working on Weston Projects. The number of men has varied from a peak of 51 in February 1934 to 20 in August.

During this same period the Town has spent for materials, services, and supervision on these Projects a total of \$24,069.27. This has been done without making any direct appropriations, and thereby raising the tax rate. This has been due largely to the fact that the Water Dept. had some unexpended funds on hand, and were willing to use them for this work.

There is no doubt that this money has gone to help many men and their families who were in dire need. And unquestionably the Welfare Dept., with their present resources, would have been unable to cope with the situation which would have arisen if we had not received this money.

As for the work done, and what the Town has to show for the money spent, the following list of Projects completed will show that the men have worked hard and faithfully, often against great odds. They encountered below zero temperatures, much snow, exceedingly hot weather, and many of them were unaccustomed to hard physical labor.

Under the supervision of the Water Dept. about 7,850' of Water Pipe has been laid in Newton St., School St., Conant Road, Pigeon Hill Road, and Summer St. Some of this has replaced old inadequate pipe, and some has been new pipe in sections not previously served. It has given increased pressure, and consequently better fire protection to all the properties on these streets. The Conant Road Project completed a circuit serving 179 families giving them double protection in case of breakdown.

In the Cemetery a new avenue 600' long was built, and a large area for new lots was opened up. This was graded, trees thinned out, and new loam put on.

On the Highways 10,000' of fences were painted for preservation and beauty.

In the Schools, the entire Primary building was painted inside. In the old High School building two rooms, and the Assembly Hall were refinished.

On the School Playground, a new regulation Tennis Court was built. The main brook running through the playground was deepened 12", and 6 side ditches were dug for better drainage. A new Hockey Field for girls was constructed, and graded. Also a large part of the undeveloped land on the Playground has been worked over preparatory to future development.

Along the ByPass about 5,000' of a main brook, and 3500' of side ditches were deepened from 14" to 24". This drained all the low land along this road, eliminating pools that back up in high water and mosquito breeding places, as well as making available for use a lot of land heretofore too swampy for any use.

The entire outside of the Fire Station was painted with two coats.

In the Town Hall an alteration on the Stage was made. A wall was torn down, opening up 2 rooms as part of the stage with a balcony.

At the present time we are working on the following projects:

Water Pipe on Summer St.

Widening and straightening a section of Summer St.

Numbering of all houses in Town, not previously done.

A Gypsy Moth Extermination Project.

Repairing, reshingling and painting Town Barn at Cutter's Corner.

One woman sewing.

Additional work on the School Playground.

We are receiving about \$2,000.00 per month at the present time, and there are about 50 men on our active lists.

THOMAS A. TILTON,
Local E R A Administrator.

January 29, 1935.

REPORT OF THE HISTORICAL COMMITTEE

TO THE BOARD OF SELECTMEN :

The Weston Historical Committee has held its annual meeting and makes the following report:

During the past year many interesting photographs of old Weston houses have come to us from various sources and other photographs have been taken. We have had some gifts of historic interest and the promise of some choice articles once the property of old residents of Weston, which will eventually be given over to our keeping.

We hope that before long the Committee will have a safe and suitable place for storing and exhibiting its treasures.

The Committee would like to repeat its request of last year for photographs of old Weston houses and will gladly have copies made for its collection; also will be pleased to receive any old documents or other things of historic interest.

Respectfully submitted,

GERTRUDE FISKE,
Chairman.

REPORT OF THE SCHOOL COMMITTEE

Weston, February 1, 1935.

The School Committee respectfully submits the following report for the school year ending December 31, 1934.

At the annual Town Meeting, held on March 26, 1934, Mrs. Alice C. Bailey was elected for a term of three years.

The Committee organized at its regular meeting, held on April 5, 1934, by electing Mr. Raymond W. Coburn as Chairman, and Mr. David A. Perry as Secretary. At this meeting, the resignation of Mr. Donald L. Houghton was received and accepted. The Committee wishes to express to Mr. Houghton its appreciation of the services rendered during his connection with the schools.

Eleven regular meetings and one special meeting were held during the year.

At the regular meeting held on May 3, 1934, the following appointments were made:

Mr. Carl T. Rhoades, Superintendent of Schools and Principal of the High School.

Mr. Allan Cameron, Custodian of Buildings and Grounds.

Mr. Charles L. E. Bolton, Asst. Custodian of Buildings and Grounds.

Dr. Fresenius Van Nuys, School Physician.

Dr. Faith L. Meserve, Asst. School Physician.

Miss Jessie Haldane, School Nurse.

Also at the regular meeting held on May 3rd, the following teachers were appointed:

Miss Emma F. Ripley

Miss Constance Burrage

Miss Helen B. Green

Miss Elizabeth R. Harmon

Mrs. Helen Ingram

Mrs. Ellen W. Houghton

Mrs. Helen G. Hill

Miss Mildred L. Marble

Mrs. Hilda F. Applin

Miss Elizabeth P. Cobb

Miss Hazel M. Staples

Mrs. Georgiana Eldred

Miss Mabel R. McElhinney

Mrs. Dorothy B. Frye

Miss Lucy Dodson

Miss Emily F. Adams

Mrs. Vida C. Strahan

Mrs. Virginia A. Morrissey

In addition to the above, the following special teachers were appointed:

Mr. Wallace W. Sawyer, Submaster of the High School.
 Mr. Phillip E. Perry, Manual Training.
 Mr. Wm. H. Taunton, Music.
 Miss Marjorie D. Morse, Jr., Teacher of Physical Education.

At later meetings, further appointments to and changes in the teaching staff were made, as follows:—

On May 29, 1934, Mr. John S. Proctor was appointed Coach and Director of Physical Education, to take the place of Donald L. Houghton, who had previously resigned.

Also, Mr. Crosby E. Redman was appointed Instructor of English.

On June 11, 1934, Miss Ella Brotchie was appointed as teacher.

Miss Marjorie Morse was granted a leave of absence for one year.

The resignation of Miss Sarah E. Jewett was presented and accepted. Miss Jewett's connection with the Weston schools as teacher of Art, has extended over a period of almost forty years. The Committee feels that few, if any, teachers have ever left the Weston Schools having made as many sincere friends among pupils, parents and townspeople, and extends its best wishes for her future health and happiness.

On July 22, 1934, the following appointments were made:

Miss Sylvia Moulson, Teacher.
 Miss Helene D. Breivogel, Physical Education Instructor.
 Miss Gudrun H. Gustafson, Teacher of Art.

Also, at this meeting, arrangements were made with Miss Jessie Haldane to take the school census as of October 1, 1934, which is submitted herewith:

On December 11, 1934, the resignation of Mrs. Helen M. Ingram was accepted, and Miss Mildred Philips was appointed to fill the position. The Committee takes this opportunity to express to Mrs. Ingram its appreciation of the efficient services rendered during her connection with the schools.

For the school year ending June 30, 1934, the average daily attendance was 538. The schools were in session 180 days.

The Committee has continued its policy of applying the income from the fund left to the Town by the late Horace S. Sears, for the benefit of the teachers against the rental of the "Teachers' Lodge," and extends its thanks to Mr. Harry L. Bailey for continuing to make its use possible for this purpose.

The Weston Chapter of the American Red Cross and the Board of Health have continued to cooperate with the schools in connection with the services rendered by Miss Jessie Haldane as School and District Nurse. The Committee appreciates this cooperation, and feels that much benefit is derived from this arrangement.

According to the figures given in the Superintendent's report, the per pupil expense for support of the Weston Schools during the last six years has decreased more than 30%. This has been helped by the increase in enrollment, for the Town records will show that the appropriation for schools in 1934 was almost identical with the average appropriation for 1928 and 1929, in spite of the fact that there was an increase of almost 100 pupils.

During the past year, the Committee, with the aid of C W A funds, has completely renovated the inside of the Primary School Building, and has refinished all the rooms in the Old High School Building that were not done when the New High School was built.

The money appropriated for the improvement of the playgrounds was spent in building a third tennis court; in further ditching and underdraining the meadow land; and in plowing and bringing to finished grade the area that is to be used for a Girls' Hockey Field. Fertilizer and seed

was bought with the expectation that the area could be seeded in September, but the very wet fall made it impossible. We now hope to do this seeding in the early spring, so that the field can be used in the fall. The Committee also obtained E R A funds to carry on the above work after the Town's appropriation was exhausted, and we hope that this E R A project may be continued through the spring and summer, in order to develop and finish additional area. In order to be able to get the E R A funds, the Town must supply the materials, tools and equipment, and with that in mind, we are recommending an appropriation of \$2000.00 for the present year. This should not only help to improve the playgrounds, but should help to relieve the welfare problem by giving employment to citizens of the Town.

Details of the work that is being done in the schools will be found in the reports of the Superintendent of Schools and the Special Teachers.

Respectfully submitted,

ALICE C. BAILEY,
DAVID A. PERRY,
RAYMOND W. COBURN,

School Committee.

SUPERINTENDENT'S REPORT

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE, WESTON, MASS.:

Dear Sir:—I submit herewith my report for the year ending December 31, 1934. Reports from different departments and special teachers are added to this.

EDUCATIONAL TRENDS

"Yesterday American life was measured in terms of vocational competence. Today even the life of the laborer is leisure-centered. Thus the focus of life is changed from vocation to leisure, and man must choose between stagnation or life through continuing education."

The above quotation is the type of thing we are finding today in our periodical literature. Two years ago we read much criticism of schools for teaching "fads and frills". Demands were made that we restrict public school education to a thorough grounding in the three R's.

Today the trend is toward restoring all of the so called "fads and frills" and training children throughout the elementary and high schools for citizenship and avocations; the vocational training to come later. This may be accomplished by introducing more courses in the social studies: history, geography, civics, economics, and problems of democracy, instead of so much foreign language and higher mathematics, and by emphasizing music, art, dramatics, home-making, shop work, health and physical education.

PROBLEMS AND NEEDS

The addition of two more teachers to our staff last fall has enabled us to meet our problems better than last year. However an unexpectedly large enrollment in the first two grades leaves an unsatisfactory situation and indicates the probable necessity of another teacher.

We should employ the art teacher two days each week next year instead of one, for we have more than twice the number of pupils that we had when the one day a week custom was established. As soon as possible, we should provide for more supervised play and athletics after school hours for children of the intermediate grades; and add to the high school curriculum courses in typewriting, shorthand, and problems of democracy or economics.

The High School enrollment is not so large as was anticipated a year ago due to the fact that a number of pupils went to private schools, several left school for work, and some moved out of town. Last year's class of twenty-nine was the largest yet graduated, and this year's class will probably be slightly larger. Next year's enrollment will probably be about 185 for grades nine to twelve inclusive, and will fill the rooms

now used to their utmost capacity. It will probably be necessary to prepare the rooms in the unfinished space on the ground floor within the next three years.

EXPENSE STATISTICS

The statistical reports of the State Department of Education show that the per pupil expense for the support of Weston schools (not including capital outlay) was at its highest point in 1928, being \$164.03, and has shown a continual decrease since then; the report of November 30, 1934 showing the expense to be \$113.96 per pupil. I believe it will not be possible to reduce this cost further without distinctly handicapping the schools.

COLLEGE ENTRANCE

Graduates of the High School last fall entered Bates College, Boston University, Dartmouth, Duke University, Massachusetts Institute of Technology and Northeastern University.

SCHOLARSHIPS AND PRIZES

During the past year scholarships and prizes have been awarded as follows:

The Charles J. Paine scholarship this year was awarded to David Earle MacLeod, freshman at Massachusetts Institute of Technology.

The Horace S. Sears scholarship was awarded in six portions as follows:

ALFRED BENOTTI, student at Northeastern University.

NORBERT BENOTTI, student at Holy Cross College.

EDWARD HARDING, student at Northeastern University.

EDWARD BASSETT, student at New England Conservatory of Music.

ROLAND RAND, JR., student at Mass. Institute of Technology.

WILLIAM H. HOPE, JR., student at Mass. Institute of Technology.

The Women's Community League scholarship was awarded to Barbara Campbell, student at Boston University, College of Liberal Arts.

Bates College awarded a scholarship covering full tuition to Marion Jones.

Prizes from the Horace S. Sears Fund were awarded as follows:

1. For essays on "Farm Relief"

First prize, DONALD CURTIS

Second prize, PHILIP QUINN

Third prizes, BETTY HOLT

VYVYIAN WILLIAMS

PHILIP MORIN

2. For excellency in declamation.

Girls:

First prize, RUTH CHASE
Second prizes, BETTY HOLT
VIRGINIA TURNER

Boys:

First prize, GILBERT SMALL
Second prizes, DONALD CURTIS
EARLE MACLEOD

Prize for the best examination on the United States Constitution was awarded by the Weston Post of the American Legion to Barbara Campbell.

I am submitting with this report the statistics of the school census of last October, and the attendance statistics for the year 1933-1934; the programs of the School Play, Declamations and Musical Concert, and the Graduating Exercises of the class of 1934.

Once more I wish to record my appreciation for the co-operation and support received from the School Committee, parents and teachers.

Sincerely yours,

CARL T. RHOADES.

REPORT OF THE ART TEACHER

TO THE SCHOOL COMMITTEE, WESTON, MASS.:

Since the beginning of the fall term the drawing classes have progressed very well. The elementary and Junior High School have had an intensive study of water color, beginning with color scales and branching into problems suitable for each group. I find that more time is needed in the lower grades as the lesson is hurried in a thirty minute period.

The study of color and value in the upper grades has proved very interesting with very good results. Lettering, with the simple poster alphabet first, then a Roman one, is studied with design and free brush work in the spring.

In the High School the study of ships and boats led to pictures using a monotone chromatic color scheme. Football posters were made and placed in different parts of Weston. If possible in the time allotted the use of tempera paints for posters and designs should be a new experience for the pupils.

The Crafts Class, meeting Thursday afternoons, designed Christmas cards, first with free brush, then converting the design to the linoleum block. They were printed by hand on red, green, and blue paper. They were charming. The attendance has been irregular due to various activities which require daily practise.

The teachers and pupils have been helpful and I wish to thank them for their cooperation.

Respectfully submitted,

GUDRUN GUSTAFSON

REPORT OF THE INSTRUCTOR OF MANUAL TRAINING

TO THE COMMITTEE:—

The satisfaction of making and owning a piece of work which is honestly and carefully constructed cannot be measured by the yardstick of dollars and cents.

It is as true today as it ever was that "a thing of beauty is a joy forever" but in general the "thing of beauty" must be inherently strong and wear resisting to compass as long an existence as is implied by the quotation.

If ever the concrete teaches the value of honesty surely a fine piece of work teaches the worth of this virtue. Our magnificent roadways and marvellous bridges are a testimonial to the watchfulness and dependability of their constructors.

I have ever tried to show the pupils that one gets out of a thing just what he puts into it in effort and carefulness.

I know that many of them have learned to profit by this old saying chiefly thro' sad experience.

My classes in both mechanical drawing and manual training have never made better progress than at the present time—the team work is excellent.

Respectfully submitted,

PHILLIP E. PERRY,
Instructor Manual Training.

REPORT OF THE MUSIC SUPERVISOR

TO THE SCHOOL COMMITTEE:

I respectfully submit my report for the past school year.

The singing classes in first and sixth grades do more satisfactory work this year and find pleasure in it.

There is now a more finished Rhythm Band in first and third grades. The third grade Band played at the special day for parents last May.

The Junior High School worked faithfully on a Cantata last Spring, presenting it in May at the school hall. On May 30th, several numbers were sung at the Town House by the Juniors. These appearances in public tho' but a small part of the music course, are in many ways valuable to the pupils, and a satisfaction to the teaching unit.

The Junior High School orchestra is again rehearsing every Thursday after school and making progress.

The Senior High orchestra rehearses after school Tuesdays.

At the High School Play in February this latter orchestra played the incidental music and with the Glee Club in April gave a Musicale at the Town House.

Dec. 24th, the High School Glee Club sang a Cantata of Christmas at the Town House, after which six trumpeters from the school orchestras played outside for carol singing at the Christmas tree.

There is a class in Theory and Melody Writing and one in 1st year Harmony.

I hope in the near future to have classes in Music Appreciation throughout the schools.

Reports came each year from graduates as to progress, enjoyment, and social contacts gained by music training.

In conclusion I thank Mr. Rhoades and the teaching staff for their cheerful cooperation.

WILLIAM H. TAUNTON,
Music Supervisor.

REPORT OF THE SCHOOL PHYSICIAN

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE:

The physical examinations made of the pupils were easier this year than previously largely because of the conveniences of the Health Unit.

The regular Monday morning inspections were carried on as usual.

The Schick testing and toxin-antitoxin administrations were completed earlier in the year than heretofore.

F. VAN NUYS, M. D.

BOYS' PHYSICAL EDUCATION AND ATHLETICS

This being my first year as director of physical education and athletics in the Weston School System, I am only able to account for the department from the opening of school in the fall to the present time. I shall, however, outline some of the main events of the fall and plans for the future.

The objective of the department is to give every boy some form of physical exercise and recreation during the regular school day and after school, by requiring all boys, unless senior members of a varsity team, and those who are physically incapable, to attend two regular classes a week in physical education.

In conjunction with the regular classes, intra-mural and inter-class games are scheduled. These, however, have to be neglected in the fall due to the necessary amount of time devoted to varsity football. This fall the problem was solved, as approximately one-half of the boys' student body were members of the football squad.

The football season was very successful, with Weston scoring seven victories to one defeat, and amassing a total of one hundred sixty-five points against thirteen for its opponents, with the honor of having the highest scoring High School back in Greater Boston.

With the close of the football season, intra-mural games were started, and a keen interest was developed.

Through a questionnaire, it was found that hockey was much more of a favorite sport than basketball. Basketball, nevertheless, is a major sport, and games have been scheduled. I am hoping that we will have skating facilities in the future, and thus be able to give the boys who have more interest in this outside form of recreation a place where the school may be represented in this popular activity.

Boys' physical education begins in the fifth grade and continues through the four years of High School. It is more of a recreation and play period with the fifth and sixth grades, as they are not required to have uniforms, participate only once a week, and do not receive grades. The rest of the student body is graded, however, and with the grading based primarily on National Achievement Standards and Motor-Ability Tests.

One of the major problems is to provide a maximum of activity with a minimum of equipment and space, and in this respect the Motor-Ability Tests are a great aid, inasmuch as they permit organized activity that will keep large numbers interested and active, both educationally and recreatively in the smallest possible space, and with a minimum of equipment.

It is quite necessary that some gymnasium equipment be used, particularly with a posture group that includes fifty-one boys. I would recommend that some form of suspension apparatus be included in the gymnasium equipment, namely, ropes and a combination high and low bar.

The major interest of the spring will no doubt be baseball, but it is my intention to have intra-mural and inter-class track meets along with the regular varsity baseball. The latter will come under the head of extra curricula activity.

Although the recreation facilities of this department are among the finest of the smaller schools in Greater Boston, some form of portable stands, or perhaps an enclosure of some sort, would be very beneficial to the school, from the aspect of gate receipts and outward appearances.

Respectfully submitted,

JOHN S. PROCTOR

REPORT OF THE GIRLS' DEPARTMENT OF PHYSICAL EDUCATION

TO THE SCHOOL COMMITTEE:

The 1934 fall classes of Physical Education in the Grades, Junior High School, and Senior High School consisted of a program of games and recreative sports. An afternoon sports schedule of field hockey and an activity new to the girls this year, soccer, was carried on for both Junior and Senior High School girls. Inclusive inter-class tournaments in both of these sports were participated in by approximately 90 girls.

The indoor Winter program starting December first, is centered around posture work. Half of each grade school physical education period consists of corrective exercises which are carried on by the class room teachers.

As a result of individual posture examinations, pupils needing special corrective work were selected for special classes held in addition to their regular physical education period. These pupils through active conscious repetition of suitable exercises are trying to improve the defects of posture and are striving to obtain poise and balance which are most essential for health and appearance. During January, posture pic-

tures will be taken of each child which will definitely show the progress made in this work.

The class activities during this indoor season include games of skill, folk dancing, tap dancing, stunts and tumbling, marching, and regular floor work. Special motor ability tests are being given each girl and from these the amount of coordination and physical prowess of the individual is discovered. The grades or marks in physical education are based largely on these results, together with the attitude, effort, and conduct of the individual.

Basketball attracts a great many girls who play regularly every afternoon and who are now playing in an inter-class tournament. Varsity and second varsity teams have been formed and have already played a successful game with a group of Newtonville Girl Scouts. They are planning to play the Cambridge Girls' School shortly.

A Spring sports schedule has been planned which will include tennis, baseball, and other activities of definite carry-over value in later life.

The greatest need of this department at the present time seems to be some sort of apparatus. Suspension is one of the best corrective activities and without apparatus such as ropes or stall bars, little suspension work can be done. Apparatus is very beneficial in developing latent muscles, coordination, and bodily control.

The aim of this department is to improve the health and normal growth of the children, to develop character, and to provide wholesome activities for leisure time.

I feel that the children of Weston have unusual advantages in physical education with the excellent gymnasium and play fields, and the willing cooperation of all those concerned.

Respectfully submitted,

HELEN D. BREIVOGEL

REPORT OF THE SCHOOL NURSE

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE:

The work of previous years has been carried on as usual.

The Chadwick Clinic follow up work for the control of Tuberculosis, took place in May this year. Three new contacts, one new suspect, and one transfer from another school were added to our list of nine carried over from last year. These were examined and x-rayed. All were found to be doing well, many showing improvement, in one case sufficient to allow his discharge. The Clinic will visit us next year just to check these cases. The work will then be turned over to each town to do as they see fit. The State Department of Health has proven the importance of this work and it is hoped it will be continued. The Weston

Board of Health have adopted a plan whereby the work will be continued.

The dental clinic installed in September, 1933, has proven its value. At the beginning of the school year, the mouth of each child is examined and defects marked on their dental record. Parents are notified if there is need of treatment and asked to have it done privately if possible. In cases where this is not possible application may be made to have the work done at the clinic for a small fee. Our annual report to the State Department of Health on July 1, 1934, showed a gain from 332 operations the previous year to 823 operations this year. This increase is no doubt due to having the clinic housed within the school. On receipt of this report Mrs. Eleanor McCarthy, Consultant in Dental Hygiene, wrote Dr. Wilson commending him not only on the amount of work accomplished but on the type of work done—especially the low number of second tooth extractions. Two Red Cross volunteer workers (Miss Helen Eldred and Miss Marjorie Mulock) each giving one morning a week have been a great help in this department and are appreciated very much.

The annual physical examinations (585) were completed at about the usual time. A small number of physical defects were noted and a larger number of corrections had been made during the year.

A complete report on toxin antitoxin will be found in the report of the Supervisor of Health.

Eighteen children were operated upon for the removal of tonsils and adenoids.

Twenty children consulted oculists and were fitted with glasses.

It is hoped through a careful check on the health of the school children to improve our school attendance.

Respectfully submitted,

JESSIE HALDANE, R. N.

LUNCH ROOM REPORT

TO THE SCHOOL COMMITTEE:

The school lunch room is being conducted on the same policy as last year. The first aim is to serve a hot lunch at noon to all children who desire it.

The new system of numbered lunch tickets requires a cashier each day, and boys from the upper classes have been doing this work, each giving one day a week. Because of occasional shortage of volunteer workers, it has been necessary to use girls from the Home Economics Department to fill in. The Home Economics girls also do some cooking for the lunch room, which gives them an opportunity to cook in quantity.

It is expected that the lunch room will pay for itself, allowing a small surplus for replacements. Our books show a deficit of \$57.03 as of December 31, 1934, which is approximately offset by supplies on hand. As the Waltham Trust Company is to pay a small per cent on our balance, we shall be able to purchase some much needed equipment.

Respectfully submitted,

ELIZABETH P. COBB,
Manager.

REPORT OF THE SWIMMING POOL COMMITTEE

Weston, January 20, 1935.

TO THE BOARD OF SELECTMEN, WESTON, MASS.:

The Swimming Pool Committee submits the following report for the year 1934:

The operation of the Pool was, for the third year, in the competent hands of Mr. Alden Henderson.

In the spring a new and substantial fence, enclosing the tank, was erected. Opening July 3, the pool was in use for nine weeks.

There is nothing new to report about the activities of the pool. The usual instruction was given and the place afforded the usual recreation.

In the last three years the average attendance has been much larger than formerly. When the tank was built, about thirty years ago, it was ideal for the needs of the town then, and for some time after. The average daily attendance now is over 40 for each session (85-90 per day). Considering this we are glad to report that, because our instructor tests and treats the water daily, it has been kept satisfactory and safe.

But it is obvious that the tank is overcrowded nearly all the time. For several years it has helped conditions to have the younger children come in the earlier part of each period.

We believe that every report made by your committee for the last several years has mentioned the fact that the equipment is old and inadequate. We can suggest nothing at present to better things. In previous reports we have commented on how nearby towns have been able to utilize natural hollows or local ponds as community swimming pools, and wished that we might do likewise. The drainage of Weston affects our neighbors' drinking water; this is a

town of reservoirs. Sometime in the future some spot may be found, with suitable filter-beds, or whatever is necessary. This is not the time to propose any outlay of money, but it is our duty to report conditions, and their only possible method of improvement. For the present we can continue as usual. The tank is in reasonably good condition.

The willow trees, originally planted to beautify the grounds, have grown so tall that leaves, twigs, and catkins from overhanging branches fall into the water in great quantities. We should like this year, to cut down the willows and replace them with a cedar hedge similar to the one now along the east side of the lot.

We suggest keeping the pool open for ten weeks this coming summer (in 1931 the season was twelve weeks) opening the last week in June and continuing through August; and ask for an appropriation of \$1000.

Mr. Henderson's report follows.

EUNICE BASSETT,
DAVID A. PERRY,
CARL T. RHOADES,
Swimming Pool Committee.

September 4, 1934.

TO THE SWIMMING POOL COMMITTEE, TOWN OF WESTON, MASS.:

During the past season approximately 3600 people used the swimming pool, proving conclusively that the pool is still a very popular place and serves a definite need in the community.

There were 42 that passed the beginner's test, and twenty-eight that passed the swimmer's. The senior life saving suffered from lack of people eligible, due mainly to the age requirement. However, the junior life saving class was quite large. The following is the complete list of those passing the Red Cross Tests:

Work started in 1933 by C. W. A. men was continued in 1934 and later was carried on by E. R. A. organization. About 600 feet of driveway was rough graded and a good sized area for future lots was graded for seeding. We feel that this work has been very satisfactory.

The Commissioners request an appropriation of \$5,500 for 1935.

REPORT OF THE BOARD OF PUBLIC WELFARE

The Board of Public Welfare submits the following report for the year ending December 31st, 1934:—

The Board organized with William C. Cooper as chairman and Mrs. Margaret B. Warren as secretary. In March Mr. Cooper resigned because of ill health and the vacancy thus made was filled by the election of Ralph F. Slayton. Following the annual election, March 23rd, the Board organized with Henry A. Wheeler as chairman and Mrs. Margaret B. Warren as secretary.

Conditions in Weston, as compared to former years, are not clearly indicated by the financial statement included in this report. Cases with settlement elsewhere are not a burden to this community; in that the cities and towns where these cases have a settlement, reimburse us for what we have spent in their behalf. What we have paid out on cases of this kind is included in the following statement, but the reimbursement does not show as a credit to this department since the money thus collected returns directly to the Town Treasury.

We have, since August, made use of the Newton Hospital for those cases requiring hospital confinement. This change has brought about some criticism and some favorable comment. The Board felt that the change would be generally beneficial and all of our welfare patients who have been confined at Newton, have only the highest words of praise for the care, food and general environment there. We do feel, therefore, that our change in this respect is justified.

We had anticipated an increase in the cost when changing to the Newton Hospital, but find when computing the average cost per day of all patients, that it is less than previously. This is due to the affiliation of two convalescent homes, one for children and one for adults, with the New-

ton Hospital, where patients may be transferred without being discharged from Newton and at very low rate. The Hospital assumes the responsibility of patients so transferred and when satisfied with their condition, allows their discharge.

The distribution of literally tons of food, coal and quantities of new clothing has been a problem in itself. These commodities, issued to us by the Federal Government, have been quite a help in lightening the burden of some fifty Weston families. Since we have acted as the Government's agent in this work, it is by no means to be construed that the recipients are receiving aid from this department.

Few people realize the untiring efforts and continued accomplishments of Mr. William C. Cooper as a member of this Board. His resignation, recorded above, brings to a close his service to the Welfare Department of over twenty years.

Mr. Henry A. Wheeler who seems determined to retire this March, has served the Town as a member of the Board a full quarter of a century. Mr. Wheeler and Mr. Cooper teamed together to make this department one of the most efficient in the State. To public servants of this kind, whose pay is the satisfaction of accomplishing some good, it seems that the least the people of their community can offer is their thanks, wishing them good luck and good health in their retirement. This we are attempting to do. (This paragraph has been inserted over Mr. Wheeler's signature and without his knowledge).

RALPH F. SLAYTON,
Board of Public Welfare.

REPORT OF THE PLANNING BOARD

The Planning Board has held but one official meeting during the year 1934. At this meeting it recommended to the Town Meeting held 26 March, 1934, its "Special Report."

The Planning Board also recommended to the Selectmen that the tulip trees, planted at the expense of the Town, on Newton Street and Wellesley Street be protected by stakes.

Individual members of the Board have recommended to the Selectmen the advisability of a public dump, which, they hope, would do away with indiscriminate dumping of glass and other undesirable impedimenta upon land of townspeople, who are thereby obliged to do unattractive work in order to keep their premises safe and clean.

The Board has spent no money and asks for no appropriation.

REPORT OF THE SUPERINTENDENT OF MOTH WORK

To The Board of Selectmen:

Gentlemen:—As many of our citizens whose custom it is to drive about the State, have observed, the gypsy moth has steadily been increasing, with large areas of woodlands being stripped in the summer of foliage. Many of these areas are uncomfortably close to our town, notably in Dedham, Concord, Sudbury and Maynard.

In the early spring of 1934, I had a careful scouting made for egg clusters along the roadsides and when any were found extending some distance into woodland. This search found the egg clusters in so many localities that in December 1934 an E. R. A. project was started with six men to scout the entire town. This work is still in progress, a considerable number of egg clusters being found and creosoted daily. By this means we hope to keep the insects under control. Last spring many people discovered the foliage on their trees being eaten by caterpillars they thought to be gypsies; these proved to be the forest tent caterpillars, a native insect that becomes numerous periodically.

I recommend at least \$300 be appropriated for gypsy moth control this year.

Very truly yours,

EDWARD P. RIPLEY.

The repeater in the fire alarm system which transfers the signals from the fire alarm boxes to the alarm apparatus is badly worn and needs to be replaced. It was purchased second-hand twenty-one years ago. During the past year.

it has failed to operate three times which might have caused serious losses. The Gamewell Company has a ten-circuit machine suitable to our needs and which will allow for the extension of the system for about \$2000. I have recommended its purchase to the Selectmen.

In addition to the purchase of the repeater I recommend an appropriation of \$11,500 for the Fire Department. The past two years we have not been able to make the usual replacements. Now it is absolutely necessary to replace tires on the ladder; to replace boxes, some of which have been in use since 1890, and to buy hose and wire.

F. C. MULOCK,

W. A. MARTIN,

H. W. COBURN,

Board of Fire Engineers.

REPORT OF THE TREE WARDEN

There has been spent this past year the sum of \$467.55 for the spraying of our elm trees and removal of dangerous trees and limbs. The Town of Weston through the Tree Warden has been asked to aid in the control of elm beetles and other diseases of elm tree in order that we may be an effective unit in preventing the spread of the Dutch Elm Disease. While this disease has not been found north of a small town in Connecticut it is almost certain to spread and absolutely wipe out all of our elm trees unless adequate steps are taken this coming year to control it. It has been estimated that about \$1,800 per year would be sufficient to properly care for our shade trees and I therefore recommend this amount for the coming year.

Respectfully submitted,

A. M. UPHAM,

Tree Warden.

F. H. ALLISON

REPORT OF THE SUPERVISOR OF HEALTH

TO THE WESTON BOARD OF HEALTH:

Gentlemen:—I herewith submit my report as Supervisor of Health acting under your direction, for the year 1934.

General

The Board of Health has held eleven regular meetings, and two special meetings during the year. Three hearings have been held to discuss problems having to do with drainage in the central part of the Town.

The prevalence of diseases dangerous to the public health has been about normal for the year as a whole, but beginning with the summer months, the Town has been exceptionally free from such diseases, there having been only two cases reported since the first of July.

The arrangement for the disposal of cesspool wastes into sewers located in Waltham has been continued through the courtesy of that City.

Diseases Dangerous To The Public Health

One hundred twenty-three cases of communicable diseases have been reported during the year. With the exception of an explosive outbreak of measles in April and May, the record has been unusually good. Measles accounts for more than one-half of the total cases of reportable diseases, all other cases excepting animal bites and whooping cough showing a prevalence well below the 11-year median.

We believe that the prompt reporting of cases, together with the very efficient follow up service by the public health nurse is responsible for this excellent showing.

The continued low morbidity from such epidemic diseases as chicken pox, mumps and whooping cough results in an increasing proportion of children of school age and younger,

who are susceptible to these diseases, and therefore requires greater vigilance to effect their control year after year. We therefore urge upon parents, special and continued co-operation in the prompt reporting of cases of sickness, and consultation of a physician where there is any suspicion of the presence of a case of contagious disease.

Diphtheria

The year has passed without a single case of diphtheria being reported to the Board of Health. This perpetuates the excellent record that has now been maintained for the last dozen years, and is convincing proof of the value of the diphtheria immunization work carried out in the clinics, and by physicians in their private practice.

Since diphtheria is most fatal in children below school age, it is most important to protect them as soon after they reach the age of six months as is practicable. It is going to be the practice of the Board of Health to notify parents of children whose births are reported to us, of the desirability and importance of this early immunization. The following table gives a summary of the immunization work.

Diphtheria Immunization and Schick Tests

Age	No. of Children Receiving Toxin-Antitoxin Injections	Schick Test After Toxin-Antitoxin		Schick Test Before Toxin-Antitoxin	
		No. Pos.	No. Neg.	No. Pos.	No. Neg.
Under 1	4	—	—	—	—
1	4	—	4	—	—
2	2	—	6	—	—
3	6	—	6	—	—
4	8	1	4	1	—
5	19	—	17	—	—
6	7	—	19	—	—
7	3	—	9	—	—
8	6	1	8	1	—
9	2	—	5	—	—
10-14	15	1	19	1	—
15-19	3	1	3	—	—
Total	79	4	100	3	—

Of the 104 children who had been previously immunized, and were given the Schick Test this year, 80 were immunized in the school clinic, and 24 had either been immunized privately, or were transfers from other schools. It will be noted that almost 96% of these had acquired an immunity.

An increasing number of pre-school children are being brought to the school clinics, and the ideal situation would be to have all children not immunized before school age, to present themselves during their first year at school. We bespeak the co-operation of the parents to bring about this desirable result.

Tuberculosis

One death from tuberculosis, and one active case were reported during the year. A third case in a person who had a Weston settlement, but resided elsewhere, was reported and hospitalized at the expense of the Town of Weston.

The State Chadwick Clinic re-examined 10 children who were recommended, and tested 3 new children. No new active cases were discovered. All tuberculosis contacts and suspicious cases are visited regularly by the public health nurse.

Since the State appropriation for continuing the school clinics has expired, the responsibility for this work will henceforth devolve upon the Board of Health. The Board has adopted a plan for this work following the general recommendations of the State Department of Public Health. This entails a co-operative enterprise carried out by the Board physician who will make and read tuberculin tests, and will refer positive reactors to the Middlesex County physicians for further examination and X-ray. A small additional appropriation will be necessary for this work.

Other Communicable Diseases

A very favorable low incidence of epidemic diseases since the middle of the year has already been commented upon. Another year has passed without any cases of typhoid fever

being reported, making the sixth consecutive year when this disease has been absent. There have been no cases of dysentery, diphtheria, infant enteritis or paratyphoid fever, all of which are diseases controlled by sanitation or preventive medical cases. No cases of gonorrhea or syphilis were reported.

There were 17 cases of dog bite reported and one rabid animal was discovered, but no persons were dangerously exposed to this disease. All cases of dog bite reported are visited by the animal inspector and by a veterinary, to place such animals under restraint, and to observe them during the quarantine period for suspicious signs of rabies. A new State dog law effective January 1, 1935, requires the Board of Health, when necessary, to pay for anti-rabic vaccine and for medical treatment in such cases as are recommended by the State Department of Public Health. The Town will be reimbursed by the County from the dog tax fund. This will necessitate an additional appropriation.

Laboratory

The following table gives a summary of the diagnostic laboratory examinations. In addition to these tests, all grades of milk delivered by the various dealers in the Town of Weston, were examined monthly, which amounts to over 350 tests. Samples of Town water were examined in routine, and during the summer, the swimming pool water was tested occasionally. Samples of well or spring water were examined upon request.

The public water supply has been found to be uniformly pure and free from organisms indicative of pollution.

Laboratory Analyses

	Pos.	Neg.	Susp.	Total
Diphtheria Cultures	—	8	2	10
Tuberculosis (Sputum)	—	8	—	8
Gonorrhea	—	3	—	3
Vincents Angina	1	1	—	2
Streptococcus	3	3	—	6
Total				29

Milk

Nineteen milk dealers were licensed to sell milk in the Town during the year. This includes two new dealers. Of the 39 separate grades of milk delivered, only four are raw milk. Reference to Table No. III will give the detail for laboratory tests for bacteria count, average per cent of butter fat and total solids, and sediments. The median count of 31 of the samples tested is below 10,000 which indicates exceptionally high grades of milk from a sanitary standpoint. Butter fats and total solids were uniformly above the standard requirement. The absence of the visible dirt is indicated by the high proportion of milks that give "very satisfactory" sediment tests.

Complaints

Eight complaints were received, followed up, and the necessary action taken to abate the nuisances.

Deaths

An analysis of deaths by residence, cause, sex and age are given in Tables Nos. IV, V and VI. A total of 22 deaths as compared with 33 of the previous year was recorded, giving the extraordinarily low rate of 6.0 as against 10.0 per 1,000 population for 1933, and a rate of 11.8 for the State. Only one death from communicable diseases occurred, and there were only 4 deaths in residents who were under the age of 60.

Births

During the current year, 32 births were reported as against 41 for the year 1933, giving a rate of 8.8 against 12.4. It might be observed that fluctuations in both birth and death rates in reference to so small a community as Weston, are not statistically very significant. However, as wide a deviation as is shown in the rates for both births and deaths for this year does undoubtedly show a significant downward trend.

Respectfully submitted,

C. M. HILLIARD, *Supervisor.*

REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY

TO THE BOARD OF SELECTMEN :

The trustees of the Public Library once more submit an annual report:

We feel that the report of the Librarian and the daily conduct of the Library render and extended report unnecessary.

The effort to keep the property of the Town under our care in proper and satisfactory physical condition has continued. An addition to the heating surface, provided in the Children's Room has met the exigency imposed by the severe cold of last winter and it will now be possible to provide a suitable temperature at all times.

Other minor repairs of much less importance have been attended to and no careless deterioration is in any way permitted.

A change in the reading habits of library patrons of the present day has brought problems to all public libraries.

A considerable number of copies of ephemeral literature, "the latest novel," is desired by many readers, money spent for such books, of no lasting value, must often be taken from the departments of history, biography or reference, to the detriment of these departments and dissatisfaction of other readers. A proper balance of spending is difficult to maintain, and no course of action is satisfactory to all patrons.

The Trustees of the Weston Library have faithfully striven to find a proper middle course and to follow it.

For the purposes of the Library during the current year the Trustees request an appropriation of \$5,000.

The Trustees wish once more to express their apprecia-

tion of the faithful services of all the members of the library staff.

Respectfully submitted,

CHARLES M. EATON,

LOUISA W. CASE,

G. M. PALMER, Jr.,

Trustees of the Public Library.

REPORT OF THE PLUMBING INSPECTOR

January 4, 1935.

BOARD OF HEALTH, WESTON, MASS.

Gentlemen:—I herewith respectfully submit to you for your approval, my report as Plumbing Inspector for the year of 1934.

There were 45 permits issued for Plumbing work. These included new and old buildings and alteration work. Of these 18 were for new buildings and 27 were for alterations and old buildings.

The sum of \$72 was received for permits and the money paid to the Town Treasurer.

Respectfully submitted,

ABEL J. COLPITTS,

Plumbing Inspector.

REPORT OF THE PARK COMMISSIONERS

The Park Commissioners submit the following report for the year 1934.

The Board was organized by the election of Benjamin S. Blake as chairman and Austin B. Mason as secretary.

In our last report we stated that it would be necessary to buy a new power lawn mower. After looking into the matter very carefully, we decided to get a Lock Triplex Mower at a cost of nearly \$600. While the price seems high, the performance of the machine shows that the money was well spent.

The Horace S. Sears Fund provides amply for the maintenance of the Common, so we recommend an appropriation of only \$100.

BENJAMIN S. BLAKE,
AUSTIN B. MASON.

REPORT OF THE AUDITOR

The Auditor submits the following report of the receipts and expenditures of the Town for the year ending December 31, 1934.

He has audited the books of the Treasurer and Collector, and finds all moneys in the latter's charge properly accounted for.

March 17, 1934.

The following order Laying out a portion of Pelham Road was adopted:

We the undersigned, Selectmen of Weston, gave written

notice of our intention to accept as a town way a portion of a private way known as Pelham Road, such notice requiring all persons interested to appear before us at our rooms in the Town Hall on the 17th day of March, 1934 at 10 o'clock A. M., and caused such notice to be actually served according to law by a constable of this town at least seven days before the day so appointed for the hearing upon Paul Clifford and William E. and Helen J. Higgins, being all the parties known to us from whom land is taken or who may be interested in the subject-matter and gave notice to them and all other persons and corporations, if any, who may be interested in the subject-matter, whose names are not known to us, by posting up a true and attested copy of such notice in a public place in the town seven days at least before the day appointed for the hearing.

Pursuant to such notice, we met at the time and place appointed for the hearing and heard the remarks and objections of all persons, if any, who desired to be heard and having viewed and examined the route of the said way as hereinafter described, we do adjudge that common convenience and necessity require that the said way should be accepted and it is hereby so accepted.

The land taken for said way is described as follows: On the lines of a private way shown on a plan entitled "Plan Of Pelham Road in Weston, Massachusetts" by Gleason Engineering Corporation, dated July 30, 1931, which plan is hereby approved by us, verified by our signatures and adopted as a part of this record.

Said way is more particularly described by its northeasterly side line beginning at a point on the easterly side of Highland Street two thousand feet, more or less, from the easterly end of Pine Street beginning at a drill hole in a rock on the land of William E. and Helen J. Higgins twenty-five feet, more or less, from a spike in the south side of an eight inch oak on the west side of Highland Street and running thence in a southerly and southeasterly direction upon a radius of sixty feet, fifty eight and sixty-four hundredths

feet, thence turning and running with a radius of two hundred feet in a southeasterly and easterly direction one hundred and nineteen and ninety-three hundredths feet, thence turning and running in an easterly and southeasterly and southerly direction with a radius of two hundred and fifty seven and sixteen hundredths feet, three hundred and eleven and ninety-four hundredths feet, thence running in a southerly direction three hundred and two and thirty one-hundredths feet, to station 8+06.85, thence westerly at right angle to last mentioned line 50 feet to opposite side line. The southerly side line of said way is parallel to and fifty feet from the northeasterly side line throughout its courses to the end of layout at station 8+06.85 except upon the northerly entrance to said way the side line runs in a northwesterly, westerly and southwesterly direction with a radius of thirty feet, sixty-two and sixty hundredths feet.

The owners of the land abutting upon the said way and of the fee over which the said way is laid out, in consideration of its acceptance by the town, waive all claims to land, grade, or other damages.

We take an easement in the land for the purpose of a town way. Be all these measurements more or less.

The said way so laid out is hereby reported to the town for acceptance and when so accepted, allowed and recorded is to be called Pelham Road.

The said plan and this record are this day filed by us in the office of the Town Clerk.

HERBERT E. TYLER.

BRENTON H. DICKSON, Jr.,

Weston, March 17, 1934.

Received and filed with plan as stated.

BRENTON H. DICKSON, JR.

Town Clerk.

Weston, March 17, 1934.

The following order of Laying out of Extension of Oxbow Road was adopted:

We, the undersigned, Selectmen of Weston, give writ-

ten notice of our intention to lay out for a town way an extension of Oxbow Road, such notice requiring all persons interested to appear before us at our rooms in the Town Hall on the 17th of March at 10 o'clock A. M. and cause such notice to be actually served according to law by a constable of this town at least seven days before the day so appointed for the hearing upon Charles W. Hubbard et als, Trustees, being all the persons known to us from whom the land is taken or who may be interested in the subject matter, and gave notice to them and all other persons and corporations, if any, who may be interested in the subject matter whose names are not known to us, by posting up a true and attested copy of such notice in a public place in the town seven days at least before the day appointed for the hearing.

Pursuant to such notice, we met at the time and place appointed for the hearing and heard the remarks and objections of all persons, if any, who desired to be heard, and, having viewed and examined the route of the said way as hereinafter described, we do adjudge that common convenience and necessity require that the said way should be laid out and it is hereby so laid out.

The land taken for said laying out is described as follows:

On the lines of a way shown on a plan entitled Plan of undefined portion of Oxbow Road in Weston by Rowland H. Barnes and Henry F. Beal dated February, 1934, which plan is approved by us, verified by our signatures, and adopted as a part of this record.

Said way is more particularly described by its easterly sideline beginning at a point on the easterly side of Oxbow Road opposite Intervale Road at the point where the laying out of Oxbow Road by the Selectmen terminated, and running by varying courses northeasterly, northerly, northwesterly and northerly to the junction of said way with Ridgeway Road as accepted and allowed by the Town of Weston, including at said junction all land not taken by the Town of Weston in laying out, accepting and tak-

ing said Ridgeway Road as a town way; thence by its westerly sideline from said junction by varying courses southwesterly, southerly, southeasterly, southerly and southwesterly to the point where Oxbow Road as accepted and allowed by the Town of Weston terminates, said westerly line being parallel to and forty feet from said easterly sideline throughout its courses except at the junction with Ridgeway Road.

The owners of the land abutting upon the said way and with fee of the land over which the said way is laid out, in consideration of the laying out and its acceptance by the Town, waive all claims to land, grade, or other damages.

We take an easement in the land for the purpose of a town way between the easterly and westerly side lines as above stated.

Be all these measurements more or less.

The said way so laid out is hereby reported to the town for acceptance and when so accepted, allowed and recorded, is to be called "Oxbow Road".

The said plan and this record are this day filed by us in the office of the Town Clerk.

HERBERT E. TYLER,
BRENTON H. DICKSON, Jr.,
Selectmen of Weston.

Received and filed with plan March 17, 1934.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To consider the report of the special committee appointed at the annual town meeting held March 21, 1932 to consider amendments to the By-Laws of the town and to determine whether the town, in accordance with the recommendations of said committee, will vote to amend Article VIII of the By-Laws of the town by inserting after Section 9 a new Section 9 (a) to read as follows:

“Every lot laid out in the single residence district after taking effect of this amendment shall contain not less than fifteen thousand (15,000) square feet, except in cases where this regulation would result in extreme hardship, in which cases an appeal may be made to the selectmen, who shall have power to modify this regulation when in their opinion the conditions warrant such modification.”

and further to determine whether the town will vote to amend Article VIII of the By-Laws of the town by inserting after Section 3, a new Section 3 (a) to read as follows:

“The removal for sale of sod, loam, sand, gravel or quarried stone from single residence or general residence districts shall be deemed non-conforming uses of the premises, excepting such removal as is incidental to grading around any building. The inspector of buildings shall not issue a permit until he has received authorization from the selectmen under Section 16 of this By-Law. Such authority shall be granted by the Selectmen only when the conditions of removal of the materials are such that the areas involved shall be left in a sightly condition and satisfactory in all other respects to the selectmen.”

ARTICLE 4. To determine whether the town will vote to amend Article III of the By-Laws of the town by add-

ing to Section 2, the following: "or within the limits of any highway, except with the approval of the Superintendent of Streets, any rock, stone, crushed stone or gravel." so that said section shall read as follows:

"SECTION 2. No person shall throw, scatter, or place, or cause or permit to be thrown, scattered or placed within the limits of any highway, park, or other public property or in any public building, or on any private property, except with the consent of the owner thereof, any ashes, garbage, papers, glass, crockery, metal, cigars, cigarettes, or matches, or any other form of rubbish, refuse or waste material, or within the limits of any highway, except with the approval of the Superintendent of Streets, any rock, stone, crushed stone or gravel."

ARTICLE 5. To see whether the Town will vote to accept and allow as a Town way the extension of Oxbow Road, as shown on the plan by Rowland H. Barnes and Henry F. Beal, dated February, 1934, on file in the office of the Town Clerk and as laid out by the selectmen.

ARTICLE 6. To see whether the Town will accept and allow as a Town way the private way known as "Pelham Road", as shown on the plan by Gleason Engineering Corporation, dated July 30, 1931, on file in the office of the Town Clerk, and as at present laid out.

ARTICLE 7. To raise and appropriate, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the Selectmen or by the town officers or committees in their reports.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town, namely at the town house, at Kendal Green post office, and on the town bulletin board at the junction of South Ave-

nue and Newton Street and Park Road seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this seventh day of March in the year of our Lord one thousand nine hundred and thirty-four.

HERBERT E. TYLER,
B. LORING YOUNG,
BRENTON H. DICKSON, Jr.,
Selectmen of the Town of Weston.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Weston according to order.

J. SUMNER VILES,
Constable.

Annual Town Meeting, March 26, 1934

In pursuance of the foregoing warrant, the inhabitants of the town qualified to vote in elections met in the Town Hall on Monday, March 26, 1934 at 12 o'clock noon and were called to order by Dudley P. Ranney, Moderator. Brenton H. Dickson, Jr., Town Clerk read the warrant calling said meeting and the return of the officer who served the same upon the inhabitants.

The lower Town Hall had been fitted up as a polling place in conformity with the laws of the Commonwealth. The cards of instructions, penalties to voters and specimen ballots were posted in accordance with the Laws of the Commonwealth. The following Election Officers who had previously been appointed by the Selectmen were sworn to the faithful performance of their duties by the Town Clerk:

Ballot Clerks

John A. Cain, Jr.

Election Officers

Grace H. Spaulding

John Harte

Tellers

Walter J. Beamish

Anna H. Smith

John J. Cassidy, Jr.

Marie L. Tilton

Frank L. Jacques

John C. Waters, Jr.

Arthur C. Jones

George H. Welcome

The ballot-box was publicly opened and shown to be empty. The register on the box was set at zero (0) and the box immediately thereafter locked and the keys there-to delivered to the Town Clerk.

A package of 1971 ballots was delivered to the Ballot Clerks by the Town Clerk who took their receipt therefor. The polls were then declared open.

Upon one occasion while the polls were open the ballot-box was opened and ballots taken therefrom for counting, it being deemed advisable so to do in the unanimous judgment of the Presiding Election Officer and the Town Clerk. The time of thus opening the ballot-box and the number of ballots taken therefrom was as follows:

7.30 P. M. 100 ballots

At 7.45 P. M. the polls were declared closed.

The number of names checked on the voting lists used by the ballot clerks and the Election Officer in charge of the reception of ballots was 146. The automatic register on the ballot-box read 146 and 146 ballots were taken therefrom. These ballots were counted and recorded and declared thereof made in open town meeting by the Moderator:

While the polls were open the ballot-box was in charge of John Harte and the voting list used in connection therewith was in charge of Grace H. Spalding.

The votes were canvassed and counted by the tellers, and after record thereof had been made, the Moderator caused all ballots cast at the election, the tally sheets used in counting the votes and the voting lists used in the distribution and deposit of ballots publicly to be enclosed in envelopes, which were sealed and endorsed and certified

in the manner required by law. The above mentioned envelopes, together with the ballot-box and the seal were forthwith delivered to the Town Clerk.

The meeting was called to order at 8.00 P. M.

ARTICLE 2. *Voted:* That the reports of Town Officers and Committees as distributed throughout the town be accepted and placed on file subject to any correction which may be made by this meeting or by the Town Clerk, and that the Town Clerk is hereby directed to make such corrections to such copies of the report as may be deposited in the archives of the town and in the Public Library.

Voted: That Article 7 be now taken up in connection with Article 2 and that the reports of the Town Officers and Committees be considered separately in the order in which they are printed to the end that the Town may take such action thereon as may be deemed best.

Mr. B. Loring Young *moved:* That the amounts recommended by the Selectmen for appropriation by the Town in accordance with section 5 of the By-Laws of the Town, as set forth on pages 25 to 33 of the Town Report and amounting in the aggregate to \$223,640.00 be and hereby are appropriated for the specific purposes and in the specific amounts set forth in said recommendations.

It was voted to amend Mr. Young's motion by increasing the item under Recreation for Instruction in Swimming from \$1,000 to \$1,400, and to appropriate \$2,000 for Taking and Improvement of Land for Recreation Purposes, and also to reduce the item under Highways—General Maintenance from \$35,000 to \$33,000.

Voted: That the Town Treasurer with the approval of a majority of the Selectmen be and hereby is authorized to borrow from time to time in anticipation of the taxes and other estimated revenues of the town for the municipal year beginning January 1, 1934 to an amount not exceeding in the aggregate one hundred twenty-five thousand dollars (\$125,000) and to issue a note or notes therefor, payable within one year; any debt or debts incurred under this vote to be paid for from the taxes and other revenues of said municipal year.

Mr. Nash read the following:

Special Report of Town Planning Board to Town Meeting
Held March 26, 1934, Relative to Proposed Changes
in Zoning By-Laws

Section 27 of Chapter 269 of Acts of 1933 provides that no by-law changing the restrictions of the zoning by-law shall be adopted until the planning board has held a public hearing thereon after twenty days' notice by publication and has submitted a final report with recommendations to the town meeting.

The Special Committee appointed at the annual town meeting of March 21, 1932 to consider amendments to the zoning by-law, and whose term was extended at the annual town meeting of 1933, has filed a report recommending certain changes, printed at pages 195-198 of the town report of 1933.

Upon this matter, the Planning Board held a public hearing, duly advertised, on March 7, 1934 in the Town House, which was attended by a number of our townspeople.

We now report recommending to the town meeting that a new section be added after Section 9 of Article VIII

numbered Section 9 (a), and that the new section be as follows:

“9 (a). Every lot laid out in the single residence district after the taking effect of this amendment shall contain not less than fifteen thousand (15,000) square feet.”

We recommend the omission of the words following:

“except in cases where this regulation would result in extreme hardship, in which cases an appeal may be made to the Selectmen, who shall have power to modify this regulation when in their opinion the conditions warrant such modification.”

Our reasons for this suggestion are as follows:

The new zoning statute, Chapter 269 of the Acts of 1933, gives certain powers to the Board of Appeals, which are to be exercised by the Selectmen pending provision for a Board of Appeals.

Under this new law, Section 30, Clause 3, the Selectmen's powers to authorize a variance are defined as follows:

“3. To authorize upon appeal with respect to a particular parcel of land a variance from the terms of such an ordinance or by-law where, owing to conditions especially affecting such parcel but not affecting generally the zoning district in which it is located, a literal enforcement of the provisions of the ordinance or by-law would involve substantial hardship to the appellant, and where desirable relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purpose of such ordinance or by-law, but not otherwise.”

Their powers are differently defined in the words whose omission we recommend. The town has no power to adopt a by-law conferring powers different from those fixed by the statute. It is unnecessary to write into the by-law the

language of the statute. It is forbidden to write into the by-law language bearing a different meaning from that of the statute.

We further report recommending to the town meeting that a new section numbered 3 (a) be inserted after Section 3 of Article VIII as follows:

“3 (a). The removal for sale of sod, loam, sand, gravel or quarried stone from single residence or general residence districts shall be deemed non-conforming uses of the premises, except such removal as is incidental to grading around any building. The inspector of buildings shall not issue a permit until he has received authorization from the Selectmen under Section 16 of this by-law. Such authority shall be granted by the Selectmen only when the conditions of removal of the materials are such that the areas involved shall be left in a sightly condition and satisfactory in all other respects to the Selectmen.”

Our recommendations are based upon the reasons given in the Report of the Special Committee and upon the public hearing.

Chairman,

MRS. STEPHEN S. FITZGERALD,

Secretary,

HARRY L. BAILEY,

GEORGE W. BAILEY,

RAYMOND W. COBURN.

ARTICLE 3. *Voted:* That Article VIII of the Town By-Laws be amended by adding a new section to be numbered Section 9 (a) and inserted after Section 9 as follows:

“9 (a). Every lot laid out in the single residence district after the taking effect of this amendment shall

contain not less than fifteen thousand (15,000) square feet."

Voted: That Article VIII of the Town By-Laws be amended by adding a new section to be numbered Section 3 (a) and inserted after Section 3 as follows:

"3 (a). The removal for sale of sod, loam, sand, gravel or quarried stone from single residence or general residence districts shall be deemed non-conforming uses of the premises, except such removal as is incidental to grading around any building. The inspector of buildings shall not issue a permit until he has received authorization from the Selectmen under Section 16 of this by-law. Such authority shall be granted by the Selectmen only when the conditions or removal of the materials are such that the areas involved shall be left in a sightly condition and satisfactory in all other respects to the Selectmen."

ARTICLE 4. *Voted:* That the town amend Article III of the By-Laws of the town by adding to Section 2, the following: "or within the limits of any highway, except with the approval of the Superintendent of Streets, any rock, stone, crushed stone or gravel," so that said section shall read as follows:

"SECTION 2. No person shall throw, scatter, or place, or cause or permit to be thrown, scattered or placed within the limits of any highway, park, or other public property or in any public building, or on any private property, except with the consent of the owner thereof, any ashes, garbage, papers, glass, crockery, metal, cigars, cigarettes, or matches, or any other form of rubbish, refuse or waste material, or within the limits of any highway, except with the approval of the Superintendent of Streets, any rock, stone, crushed stone or gravel."

ARTICLE 5. *Voted:* To accept and allow as a town way the extension of Oxbow Road as shown on a plan by

Rowland H. Barnes and Henry F. Beal dated February, 1934, on file in the office of the Town Clerk and as laid out by the Selectmen.

ARTICLE 6. *Voted:* To accept and allow as a town way in part a private way called Pelham Road as shown on plan by Gleason Engineering Corporation dated July 30, 1931, on file in the office of the Town Clerk and as laid out by the Selectmen.

Article 7 had previously been taken up in connection with Article 2.

The meeting was dissolved at 9.18 P. M.

WHEREAS, the Selectmen of the Town of Weston in the County of Middlesex and Commonwealth of Massachusetts, having complied with all preliminary requirements prescribed by law, on the 17th day of March, 1934, did adopt an order laying out and by such order did lay out a street substantially on the lines of a private way leading from Highland Street in a southerly, southeasterly and southerly direction as shown on a plan by Gleason Engineering Corporation, dated July 30, 1931, approved by the Selectmen, verified by their signatures, and filed together with said order in the office of the Town Clerk on the said day; and

WHEREAS, the said order laying out the said town way was duly reported to the said town and was duly accepted by the said town at a meeting called for the purpose and held on the 26th day of March A. D. 1934; and

WHEREAS, it is necessary to acquire land or interests therein for the purposes of such town way;

NOW, THEREFORE, we, the undersigned Selectmen of the said Town of Weston, acting herein under the authority conferred upon us by chapter 82 and 79 of the General Laws and any amendments thereof, and under any other authority us hereunto enabling, do hereby adopt an order of taking of land in behalf of the said Town of Weston as follows: by such order we take an easement for all purposes of a town way and such other sufficient interest for all such purposes in land particularly described as follows:

On the lines of a private way shown on a plan entitled "Plan of Pelham Road in Weston, Mass." by Gleason Engineering Corporation dated July 30, 1931, which plan is thereby approved by us, verified by our signatures and adopted as a part of this record. Said way is more particularly described by its northeasterly side line beginning at a point on the easterly side of Highland Street two thousand feet, more or less, from the easterly end of Pine Street beginning at a drill hole in a rock on the land of

William E. and Helen J. Higgins twenty-five feet, more or less, from a spike in the south side of an eight-inch oak on the west side of Highland Street and running thence in a southerly and southeasterly direction upon a radius of sixty feet fifty-eight and sixty-four hundredths feet, thence running in a southeasterly direction seventy and fifty-four hundredths feet, thence turning and running with a radius of two hundred feet in a southeasterly and easterly direction one hundred nineteen and ninety-three hundredths feet, thence turning and running in an easterly and southeasterly and southerly direction with a radius of two hundred fifty-seven and sixteen hundredths feet, three hundred eleven and ninety-four hundredths feet, thence running in a southerly direction three hundred two and thirty-one hundredths feet, to station 8+06.85, thence westerly at right angles to last mentioned line fifty feet to opposite side line. The southerly side line of said way is parallel to and fifty feet from the northeasterly side line throughout its courses to the end of layout at station 8+06.85 except upon the northerly, entrance to said way the side line runs in a northwesterly, westerly and southwesterly direction with a radius of thirty feet sixty-two and sixty hundredths feet.

All persons having released or agreed to release or waive their claims for damages no awards for damages are made.

This order of taking is hereby made by us this 24th day of April, 1934, and a certified copy thereof is to be recorded in the Registry of Deeds for Middlesex County, South District within thirty days hereafter.

BRENTON H. DICKSON, JR.,
B. LORING YOUNG,

Selectmen of the Town of Weston.

Order of Taking Extension of Ox Bow Road

WHEREAS, the Selectmen of the Town of Weston in the County of Middlesex and Commonwealth of Massachusetts,

having complied with all preliminary requirements prescribed by law, on the 17th day of March, 1934, did adopt an order laying out and by such order did lay out a street substantially on the line of a private way leading from the termination of Ox Bow Road as at present laid out northerly, northwesterly and northerly to the junction with Ridgeway Road as shown on a plan by Rowland H. Barnes and Henry F. Beal dated February, 1934, approved by the Selectmen, verified by their signatures, and filed together with said order in the office of the Town Clerk on the said day; and

WHEREAS, the said order laying out the said town way was duly reported to the said town and was duly accepted by the said town at a meeting called for the purpose and held on the 26th day of March, A. D. 1934; and

WHEREAS, it is necessary to acquire land or interests therein for the purposes of such town way;

NOW, THEREFORE, we the undersigned Selectmen of the said Town of Weston, acting herein under the authority conferred upon us by chapter 82 and 79 of the General Laws and any amendments thereof, and under any other authority us hereunto enabling, do hereby adopt an order of taking of land in behalf of the said Town of Weston as follows: by such order we take an easement for all purposes of a town way and such other sufficient interest for all such purposes in land particularly described as follows:

"On the lines of a private way shown on a plan entitled "Plan of undefined portion of Oxbow Road in Weston, by Rowland H. Barnes and Henry F. Beal dated February, 1934 which plan is hereby approved by us, verified by our signatures and adopted as a part of this record. Said way is more particularly described by its easterly side line beginning at a point where Oxbow Road as now laid out and accepted by the Town of Weston terminates, thence by varying courses northerly, northwesterly and northerly to the junction of said way with Ridgeway Road as accepted and allowed by the Town of Weston, including at said junction all land not taken by the Town of Weston in lay-

ing out, accepting, and taking said Oxbow Road as a town way, thence by its westerly side line from said junction by varying courses southerly, southeasterly and southerly to the point of beginning, said westerly side line being parallel to and fifty feet from said easterly side line throughout its course."

All persons having released or agreed to release or waive their claims for damages, no awards for damages are made.

This order of taking is hereby made by us this 24th day of April, 1934, and a certified copy thereof is to be recorded in the Registry of Deeds for Middlesex County South District within thirty days hereafter.

To either of the Constables of the Town of Weston

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in Town House, Tuesday, the Twenty-fourth day of April, 1934 at 4 o'clock P. M., for the following purposes:

To bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

DISTRICT MEMBER OF STATE COMMITTEE

for each political party for the First Senatorial District.

10 MEMBERS OF THE DEMOCRATIC TOWN COMMITTEE.

15 MEMBERS OF THE REPUBLICAN TOWN COMMITTEE.

1 DELEGATE TO STATE CONVENTION OF THE DEMOCRATIC PARTY.

1 DELEGATE TO STATE CONVENTION OF THE REPUBLICAN PARTY.

All the above candidates are to be voted upon one ballot. The polls will be open from 4 P. M. to 8 P. M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meetings as directed by vote of the town.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this sixth day of April, A. D. 1934.

HERBERT E. TYLER,

BRENTON H. DICKSON, Jr.,

Selectmen of Weston.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Weston according to order,

MAURICE L. UPHAM,
Constable.

Party Primaries, April 24, 1934

Pursuant to the foregoing warrant the inhabitants of the town, qualified to vote in Primaries, met in the Lower Town Hall on Tuesday, April 24, 1934, at 4 o'clock P. M. and were called to order by Herbert E. Tyler, Chairman of the Selectmen, and Presiding Election Officer, who read the warrant calling said Primary and the return thereon of the officer who served the same upon the inhabitants of the town.

The Lower Hall was fitted up as a polling place in conformity with the laws of the Commonwealth. Before the opening of the polls the cards of instruction, penalties to

voters and specimen ballots were posted in accordance with the laws of the Commonwealth.

Alice E. Jones and John A. Cain, Jr., whom the Selectmen had appointed Ballot Clerks, were sworn by the Town Clerk to the faithful performance of their duties. Grace H. Spaulding and John Harte, whom the Selectmen had previously appointed Election Officers, were sworn by the Town Clerk to the faithful performance of their duties.

The ballot box was opened publicly and shown to be empty, the register on the box was set at zero and the box immediately locked and the keys thereto delivered to the Presiding Election Officer.

Two packages, one containing 1476 Republican ballots and one containing 424 Democratic ballots were delivered to the Ballot Clerks by the Town Clerk who took their receipt therefor.

The polls were then declared open.

At eight o'clock P. M. the polls were declared closed.

The number of names checked on the voting lists used by the Ballot Clerks and the Election Officers in charge of the reception of ballots was 55. The automatic register on the ballot-box read 55. The number of ballots taken from the ballot-box was 55. These ballots were sorted, counted and recorded and declaration thereof made in open meeting by the Presiding Election Officer and were for the following:

Primaries, September 20, 1934

Pursuant to the foregoing warrant, the inhabitants of the Town of Weston, duly qualified to vote in elections, met in the Lower Town Hall in said town on Thursday, the twentieth day of September in the year of our Lord one thousand nine hundred and thirty-four and were called to order at 2 o'clock P. M. by Herbert E. Tyler, Presiding Election Officer, who read the warrant calling said meeting and the return thereon of the officer who served the same upon the inhabitants.

In pursuance of and in conformity with the laws of this Commonwealth in relation to elections, the Lower Town Hall had been fitted up as a polling-place, a space railed off, and twenty-four shelves or compartments provided for the use and convenience of the voters to examine and mark their ballots. Before the opening of the polls the package of cards of instructions, specimen ballots etc., furnished by the Commonwealth, had been opened and the same posted in accordance with the provisions of the General Laws relating thereto.

Alice E. Jones and John A. Cain, Jr., whom the Selectmen had previously appointed Ballot Clerks, were sworn by the Town Clerk to the faithful performance of their duties.

Frank L. Jacques and Grace H. Spaulding, Election Offi-

cers, were sworn by the Town Clerk to the faithful performance of their duties.

The ballot-box was opened publicly by the Election Officer who ascertained by personal examination and publicly showed that the same was empty, the register of the box was set at zero (0) and the box immediately thereafter locked and the key of the box was delivered to the Presiding Election Officer.

Two packages supplied by the Secretary of the Commonwealth marked "Town of Weston; 1421 Republican Ballots, 371 Democratic Ballots," were delivered to the Ballot Clerks by the Town Clerk, who took their receipt therefor. The Ballot Clerks, who were provided with a list of the registered voters of the Town stationed themselves at the entrance to the polling place. The polls were then declared open for the reception of votes.

Upon three occasions while the polls were open the ballot-box was opened and ballots taken therefrom for counting, it being deemed advisable so to do in the unanimous judgment of the presiding Election Officer and the Town Clerk. The time of thus opening the ballot-box and the number of ballots taken therefrom were as follows:

6.45 P. M.	100
7.20 P. M.	100
7.50 P. M.	100

At 8 o'clock P. M. the polls were declared closed.

The number of names checked on the voting lists used by the Ballot Clerks and the Election Officers in charge of the reception of ballots was 630. The register on the ballot-box read 630 and 630 ballots were taken therefrom.

The ballots were sorted, counted and recorded and declaration thereof made in open meeting by the Presiding Election Officer, and were for the following State and County Officers, viz:—

Warrant

COMMONWEALTH OF MASSACHUSETTS
MIDDLESEX, SS.

To any Constable of the Town of Weston:

GREETING:

In the name of the Commonwealth, you are hereby required to notify and warn all the inhabitants of the said town, qualified to vote in elections, to meet in the Town House in said town on TUESDAY, the SIXTH DAY OF NOVEMBER, 1934, at seven o'clock in the forenoon to bring in to the subscribers their votes for the following officers, each to be designated and all to be voted for on one ballot, namely:—

Governor, Lieutenant Governor; Secretary; Treasurer; Auditor; Attorney General; Senator in Congress; Representative in Congress; Councillor; Senator; Representative in General Court; District Attorney; Clerk of Courts; Register of Deeds; County Commissioner; Associate County Commissioners (2); and Sheriff (to fill vacancy).

And to give their votes on the following Questions:

Question No. 1

Law Submitted upon Referendum Petition.

Shall a law described as follows:—

This law amends General Laws, chapter 131, as previously amended, by repealing section 105A thereof and adding thereto three new sections, 105B, 105C and 114A.

Section 105B provides that whoever uses any trap or other device for capture of fur bearing animals, which is not designed to kill such animal at once or to take it unhurt and which is likely to cause continued suffering to an animal caught therein, shall be fined fifty dollars, but traps or other devices for protection of property, set not more than fifty yards from any building, cultivated plot or enclosures used for rearing poultry or game birds, to the use of which the presence of vermin may be detrimental, are excluded from the application of this section.

Section 105C provides for the submission to the voters at a municipal election in any city or town upon petition, of the question of whether the operation of section 105B shall be suspended or if it has been already suspended, of the question whether it shall again be operative in such city or town.

Section 114A provides that the Commissioner of Conservation may suspend the operation of section 105B for a period not exceeding thirty days within any specified territory under the control of his department.

The law also provides for the submission, by the selectmen to the voters at a special town meeting in the current

year, upon petition, of the question as to whether the provisions of section 105B shall be suspended in any town; and which was approved by both branches of the General Court by vote not recorded, be approved?

YES

NO

To obtain a full expression of opinion, voters should vote on both of the following questions:

(a) If a voter desires to permit the sale of any and all alcoholic beverages in this town he will vote "YES" on both questions.

(b) If he desires to permit the sale of wines and malt beverages only herein, he will vote "NO" on question 1 and "YES" on question 2.

(c) If he desires to prohibit the sale of any and all alcoholic beverages herein, he will vote "NO" on both questions.

1. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

YES

NO

2. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines, and beer, ale and all other malt beverages)?

YES

NO

1. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

YES

NO

2. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

YES

NO

The polls will be open at 7 A. M. and may be closed at 7 P. M.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town,

namely, at the Town House, at the Kendal Green Post Office and on the bulletin-board at the junction of South Avenue and Newton Street and Park Road seven days at least before the appointed time for said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the selectmen seven days at least before the time appointed for the meeting.

Given under our hands this twenty-seventh day of October, 1934.

HERBERT E. TYLER,
B. LORING YOUNG,
BRENTON H. DICKSON, Jr.,
Selectmen of Weston.

J. SUMNER VILES,
Constable.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Weston according to order.

J. SUMNER VILES,
Constable.

Biennial Election, November 6, 1934

In pursuance of the foregoing warrant, the inhabitants of the Town of Weston, qualified to vote in elections, met in the lower Town Hall in said town, on Tuesday, the sixth day of November in the year of our Lord one thousand nine hundred and thirty four, it being the Tuesday next after the first Monday in said month, and were called to order at seven o'clock in the forenoon by Herbert E. Tyler, Presiding Election Officer, who read the warrant calling said meeting and the return of the officer who served the same upon the inhabitants.

In pursuance of and in conformity with the laws of this commonwealth in relation to elections, the lower Town Hall had been fitted up as a polling-place, a space railed off and twenty-four compartments provided for the use and convenience of the voters to examine and mark their ballots. Before the opening of the polls, the package of cards of instructions, penalties to voters, specimen ballots, etc., furnished by the Secretary of the Commonwealth had been posted in accordance with the provisions of the General Laws relating thereto.

Grace H. Spaulding and John Harte whom the Selectmen had previously appointed Election Officers were sworn by the Town Clerk to the faithful performance of their duties.

Alice E. Jones and John A. Cain, Jr., whom the Selectmen had previously appointed Ballot-Clerks were sworn by the Town Clerk to the faithful performance of their duties.

The ballot-box to be used at the election was opened publicly by the Election Officers who ascertained by personal examination and publicly showed that the same was empty. The register of the box was set at zero (0) and the box immediately thereafter locked and the key delivered to the Presiding Election Officer.

Packages supplied by the Secretary of the Commonwealth containing 2,036 ballots marked "Town of Weston" were delivered to the Presiding Election Officer by the Town Clerk, who took his receipt therefor. The Ballot-Clerks, who were provided with a list of the registered voters of the town, stationed themselves at the entrance to the polling place. The polls were then declared open for the reception of votes.

At 6.57 P. M. it was voted to keep the polls open until 7.30 P. M.

Upon eight occasions while the polls were open the ballot-box was opened and ballots taken therefrom for counting, it being deemed advisable so to do in the unanimous judgment of the Presiding Election Officer and the Town Clerk. The times of thus opening the ballot-box and the number of ballots taken therefrom were as follows:

9.10 A. M.	150
10.00 A. M.	150
11.40 A. M.	150
2.00 P. M.	150
2.55 P. M.	300
4.30 P. M.	200
6.30 P. M.	200
7.05 P. M.	200

At seven thirty o'clock P. M. the polls were declared closed. Upon opening the ballot-box at the close of the polls 75 ballots were taken therefrom, which together with the 1,500 ballots previously taken, made the number of votes cast in person 1,575.

After the above ballots were taken from the box, the Town Clerk handed to the Presiding Election Officer seventeen absent voting ballots which he had received. These were opened by the Presiding Election Officer and the signatures on the affidavits compared with the signatures on the applications which had been certified by a majority of the Board of Registrars of Weston. The names of the absent voters were then called by the Presiding Election Officer, checked by the Ballot Clerks on the check-lists and deposited in the ballot-box by the Presiding Election Officer. Upon opening the ballot-box seventeen ballots were taken from the box, making the total number of ballots cast, 1,592, the same as the number of names checked on the voting lists used. The automatic register on the ballot-box read 1,592.

The ballots were sorted, counted and recorded and declaration thereof made in open meeting by the Presiding Election Officer, and were for the following State and County Officers, Law Submitted upon Referendum after Passage and Questions of Public Policy:
